

PAKISTAN MEDICAL COMMISSION ISLAMABAD

Public Notice **Demand of the Fees by the Colleges in** **Advance without Displaying Merit List**

It has come to knowledge of the Commission that private colleges are compelling students who are offered admission to deposit fee without displaying merit list.

The Commission has taken serious note of it and in case a complaint in this regard is received from any student, strict disciplinary proceedings will be initiated against the college under the relevant provisions of law.

In view of foregoing all private medical/dental colleges are being directed in their own interest to be compliant with the directions of the Regulator and to not charge any amount in terms of fee without having the merit list displayed in line with timelines under the regulations.
