MANAGEMENT

THE HOLY PROPHET MUHAMMAD SAID: (S.A.A.W.)

"Allah, His Angels and all those in Heavens and on Earth, even ants in their ant-hills and fish in the water, call down blessings on those who instruct in beneficial Knowledge".

(Al-Tirmizi, Hadith 422)

QUAID SAID:

"Pakistan is proud of her youth, particularly the students who have always been in the forefront in the hour of trial and need. You are the nation's leaders of tomorrow and you must fully equip yourself by discipline, education and training for the arduous task lying ahead of you. You should realise the magnitude of your responsibility and be ready to bear it."

Punjabi Muslim Students Federation at Lahore
October 31, 1947

IQBAL SAID:

Thy shield be wisdom, be thy sword
The flaming Love Divine,
My fond dervish! dost thou not know
That all the world is thine?
All else but God is at thy feet,
If sounds thy Takbeer great;
If thou a Muslim truly art,
Thy effort is thy fate.
To my Muhammad be but true,
And thou hast conquered me;
The world is nought: thou shalt command
My Pen of Destiny.

(Jawab-e-Shikwa)

ABOUT US

Established in 1986 as Unique Science Academy with a view to educate students of intermediate and graduation classes, Unique has fostered into an educational system which embraced other academic fields from Early Childhood Education to Intermediate, Entrance Examination, Information Technology (IT) studies, Language Teaching, Cambridge Studies and School Management-Educational Software over the past 30 years.

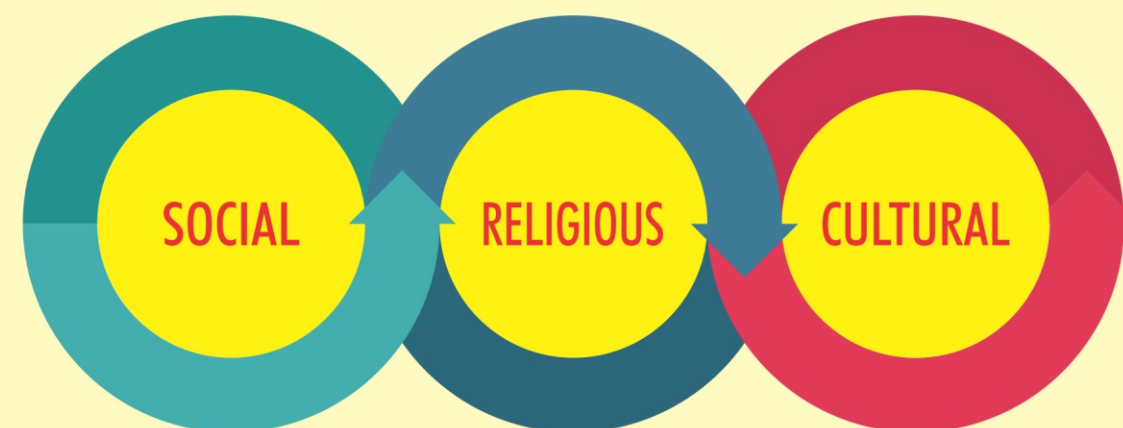

Over the years, Unique Group of Institutions (UGI) has made its mark in the matric and intermediates studies. Intermediate is our forte. We have evolved a rigorous education system which grooms students in the best way. Students are a holy responsibility entrusted to us and we must groom them with complete honesty and dedication.

Scores of positions in the Board of Intermediate and Secondary Education (BISE) stand witness to our expertise and professionalism.

It is the education system of Unique which has enabled students achieve scores of positions in Lahore Board in Matric and Intermediate levels over three decades. Unique has adopted scientific principles to educate students and it is the scientific educational approach which ensures improvement with every passing day. Unique has also kept a balance between modern and the traditional while Islamic values are inculcated to the students at every step.

Recognizing our professional excellence in the education sector, Punjab government has handed over the management of about 100 government schools to Unique Group of Institutions under Public-Private Partnership (PPP) for provision of quality education to students in the government schools as well.

Unique owes its success as an educational entity to the students, parents, teachers and the staff.

MISSION STATEMENT

To pursue high standards in the provision of education; groom individuals into future leaders; inculcate social, cultural, religious values; and imbibe modern knowledge without breaking link with the past.

CHAIRMAN'S VISION

It gives me immense pleasure to welcome you to the corridors of Unique Group of Institutions (UGI). The idea of founding Unique was governed by the vision to serve the nation through education.

Unique has groomed students into successful professionals through dedicated teaching, truthful guidance, selfless services, discipline and hard work. Moral education is at the heart of curriculum at Unique Group of Institutions (UGI).

Students have been the focus of all policies at Unique and I must thank Allah Almighty that Unique has helped the nation in the cherished goal of quality education. I owe my success to my teachers and colleagues who have worked selflessly to guide students and achieve good results.

Abdul Manan Khurram
Chairman UGI

RECTOR'S MESSAGE

Attainment of the impossible is no longer a painstaking adventure as it was in the past. We consider it our sole aim to shape the future of the youth in the light of the golden principles envisaged by our proud ancestors. To me profound and reliable relationship between faculty and students is the gateway to success.

Unique Group of Institutions has earned its name by dint of hard work and dedicated efforts. At Unique, we ensure an exemplary discipline. Unique College has acquired services of highly qualified and professional teachers. Fully equipped science and computer labs are prominent features of the facilities at Unique Colleges.

I hope our students will keep up to the highest traditions of Unique and be able to realize the dream of an enviable future.

Prof. Amjad Ali Khan
Rector UGI

INTERMEDIATE AT UNIQUE COLLEGE

Intermediate is a critical phase in the academic life of a student. It is the threshold to the professional degree in medical, engineering, business, IT or arts. These two years are vital and a student must improve on the performance in matriculation examination so that he/she enters university with ease.

At Unique College, we take care that a student stays focused and works harder through academic discipline, regular tests, revision, close liaison with parents and encouragement.

Regular assessment and weekly tests with zero tolerance towards class absence are the hallmark of Unique education system and they have paid dividends.

Academic life at Unique remains as taxing as at a school but it ensures excellent results in the BISE examination. A balance is always maintained to keep studies interesting with a happy amalgamation of co-curricular and sports.

OUR EDUCATION SYSTEM

Education is a synthesis of academics, extracurricular and sports at Unique College but academics holds supreme importance in our educational system.

ACADEMICS

The courses of studies have been chosen in line with modern and islamic educational philosophies while it is ensured that a student completes his/her syllabus twice in an academic year. At matric and intermediate level, students are made to revise their syllabus under the guidance of experienced faculty who pays individual attention to all students and this enables us draw the maximum out of the students.

In our academic system, it is ensured that a student takes 2 tests of every subject in a month while 4 tests of each subject are compulsory during revision.

Discipline is salient feature of academics at Unique College and it is ensured that students lead a disciplined academic life and never lose focus on studies.

A constant liaison with the parents is a high point of our academics which keeps students on their heels besides keeping parents abreast of their ward's academic performance.

In case a student is deficient in studies, our educational system takes care of the student and **make-up classes**, **remedial classes**, **extra classes** and **special lectures** are arranged by the principal on the recommendation of class In-charge or the subject teachers.

ACADEMICS

✓ Make-up classes

Make-up classes are meant for the students who join the academic session late and these classes help them learn the missed syllabus and catch-up with rest of the section without any difficulty or burden on the parents.

✓ Remedial classes

Remedial classes are arranged for those students who do not show as good results as others in a section and need special attention to learn different topics like others of a certain subject. The remedial classes help students to show better results at College.

✓ Extra Classes

Extra classes are necessary if an entire section cannot complete the course of studies as per the plan due to unforeseen circumstances like unscheduled holidays or some emergency. These extra classes help students complete their syllabus as per the course-plan.

✓ Special Lectures

Special lectures are conducted for the high achievers and class position-holders to equip them with more tricks of the trade so that they may enhance their academic knowledge and do well in the examination. Senior professors, subject specialists, past paper-setters of the educational Boards and examiners are invited to Unique College to pass on their experiences to the students so that they may score maximum marks in the examination. These special lectures enable the geniuses to improve their examination percentage significantly.

Integration of technology is another remarkable feature of unique education policy. Unique academic software enables to record and monitor performance of students in a better way. The software, one of its own kind, helps teachers, parents and students monitor their performance in a scientific manner. The results are usually translated into reality by the students as they are made to work hard.

RESEARCH & DEVELOPMENT (R&D)

Research and Development (R & D) department is a dynamic wing of the academics which is responsible for research in the syllabus from the early-childhood school to the intermediate classes, updation of courses of studies, maintenance of laboratories, conduct of examination, central evaluation of answer sheets, Unique Test online testing, teacher training, online video lectures by professors on all subjects, paper setting and psychological evaluation of students.

Any change in the courses of studies at matric and intermediate level is taken up by the research associates at the R & D to update Unique notes while the changes are also uploaded on the Unique online test website.

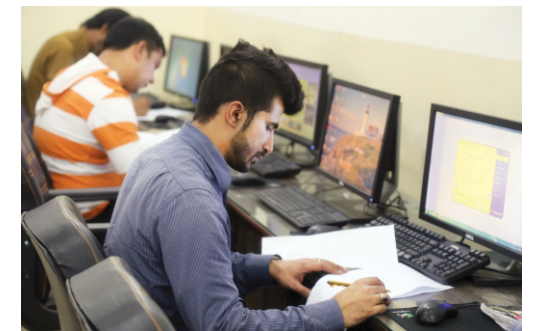

UNIQUE ONLINE TEST

www.uniquetestonline.com

Unique online test is a revolutionary step in which Multiple Choice Questions (MCQs) for Matric and Intermediate students have been uploaded on the web. Examination papers have been prepared by experienced faculty in the light of their years-long experience in the education department. A student may access these MCQs and question papers and assess his preparation for the examination free of cost. In case of change in syllabus in any subject, the web data is updated immediately for the ready reference of the students.

R & D department is also responsible for the preparation of date-sheets of the term and annual examination. The department also ensures error-free marking through centralised examination cell. This helps to evaluate students impartially.

PSYCHOLOGICAL / IQ ASSESSMENT DEPARTMENT

Psychological / IQ Assessment Department of the R & D is another feather in the cap which is headed by a psychologist and the department is tasked to work on any psychological disorders faced by the students from elementary school to the intermediate. A qualified, experienced psychologist works on the problem-children and children with abnormal behavior at different campuses. The psychologist holds sittings with the students, parents and usually helps students improve behavior.

The Psychologist holds regular IQ tests of students and compares the IQ of a student with the performance in the most recent examination. If a student is not delivering as per his IQ level, the psychology department holds sessions with the student to help overcome problems and deliver as per his/her potential.

ACADEMIC SCHOLARSHIPS

Towing the government of Punjab legislation regarding 10 percent free education in educational institutions, Unique college offers free education to children on merit. Unique offers Dr. Nisar Ahmad Rana Free Education Scholarship.

Unique also Offers other scholarships at all levels to encourage and inspire students to do well. These scholarships also give confidence to the student besides making them financially self-sufficient at a tender age.

ACADEMIC YEAR

Academic year starts from August till May as per the notification of the Lahore Board of Intermediate and Secondary Education.

CAREER COUNSELLING

Intermediate is the juncture in academics where career counseling and guidance are of vital importance. A wrong choice of field by a student may lead to a ruined career while right counseling and guidance open up many avenues of opportunity and success for students.

Career counseling department helps the student to know that many careers and fields are available for them besides medical and the engineering.

Trained counselors have complete knowledge of the various universities home and abroad and guide students in making right decision. They also help students in discovering their aptitude for the certain fields. Regular sessions are held for intermediate students to apprise them of the opportunities available to them in different fields of life.

ENTRANCE TEST

Entrance examination (Entry test) is a pre-requisite for admission to the Medical and Engineering colleges and Universities. A good score in Entry Test (MDCAT/ECAT) is a must for making to the merit list.

keeping in view needs of the students, Unique Group of Institutions offers preparatory classes for all major tests including MDCT/ECAT/LMDCAT/N-MDCAT/FUNGAT/NTS. The department is run by entry test professionals who remain busy round the year in research, planning, revision of notes, preparing tests and books for the students.

Unique Entry Test Department derives its strength from a team of professional teachers with years-long experience of teaching, writing entry test books and preparing testing materials. It is because of their dedicated efforts and professional input that our students get admission to country's top-ranking medical and engineering colleges and universities like King Edward Medical University, University of Engineering and Technology Lahore, NUST, GIKI, PIEAS and LUMS.

Our students have achieved distinction in entrance examination over the past years. Unique's Sheikh Ghulam Muhammad Ali clinched 1st position in PIEAS; Ali Khalid bagged 3rd in FAST while Umma Ajmal achieved 1064 marks in MCAT 2016.

We offer:

PUNJAB GOVERNOR DECORATES POSITION-HOLDERS

Rewards are incentives which spur students and inspire others to work harder to achieve excellence. Though scholarships are a common feature of academics at Unique, Unique also offers millions of rupees as prize money to the students who win distinction in the Board of Intermediate & Secondary Education (BISE).

Punjab Governor Ch. M. Sarwar was the chief guest at the last ceremony to give away prizes among the students who won different positions in the different board examinations. Former Vice Chancellor Punjab University Prof. Dr. Mujahid Kamran was the guest of honor while Chairman Unique Prof. Abdul Manan Khurram presided the ceremony.

Mercurial Pakistani opening batsman Imran Nazir also gave away certificates to the best sportsmen of the year.

Position-holders from of the year 2013 and earlier were invited and given cash prizes and merit certificates by Punjab Governor Ch. Muhammad Sarwar. The services of teachers and principals were also acknowledged through cash rewards.

CO-CURRICULAR AT UNIQUE COLLEGE

Co-curricular Activities play an important role in the social upbringing of students at an institution. Unique has evolved a vibrant co-curricular calendar to benefit students in their education. A comprehensive co-curricular calendar keeps students abreast of the world around them and helps in character building as well. Co-curricular activities include Debates, Speech Contests, Drama, Science and Art exhibitions, International Days, Seminars, Farewell Parties Annual Days, National Days and Recreation trips.

At Unique college, boys and girls are encouraged to take part in different co-curricular activities. Unique college houses Dr. Nisar Ahmad Auditorium which provides a platform to the students to nurture their co-curricular skills. Students are given ample opportunities in co-curricular during two years of college stay.

Unique College observes all international days and events and students take keen part. Unique College was an active participant at the 1st Unique Drama Festival 2016 at Al-Hamra Cultural Complex under the aegis of Unique co-curricular department. Students took active part in various events held by Punjab government during the year and won distinction.

SPORTS

Sports helps students do better in academics. It teaches teamwork, boosts self esteem, cuts down pressure and stress besides other health benefits.

While sports makes an important constituent of education at Unique, all sporting activities are based on the motto 'A sound mind in a sound body' and students are provided sufficient opportunities to take part in sports.

Unique has made its mark in sports at intermediate level. Our sportsmen have excelled in cricket, hockey, football and athletics in various tournaments held by the Board of Intermediate and Secondary Education and Punjab Sports Board.

Unique hockey team recently won bronze in the inter collegiate hockey tournament BISE, Lahore. Unique College students won 126 Medals in Punjab Olympics 2015 in different categories. Unique alumni Waleed Khan was selected for the under 19 West Zone Lahore Cricket team in the year 2016.

Regular sports camps are held during the summer vacation.

STUDENT COUNCILS

As part of Co-curricular calendar, Unique College holds annual election to elect Head Boys, Head Girls and Presidents of student councils including Dramatic, Debating, Literary societies and sports club.

Students take part in the elections while enough time is given for canvassing to the candidates. The annual elections provide an opportunity to students to interact, socialize and make their ideas home to others. Candidates run an election campaign under supervision of teachers.

Elections serve as a platform to develop leadership qualities, self confidence, inter personal and public speaking skills among students.

UNIQUE PUBLICATIONS

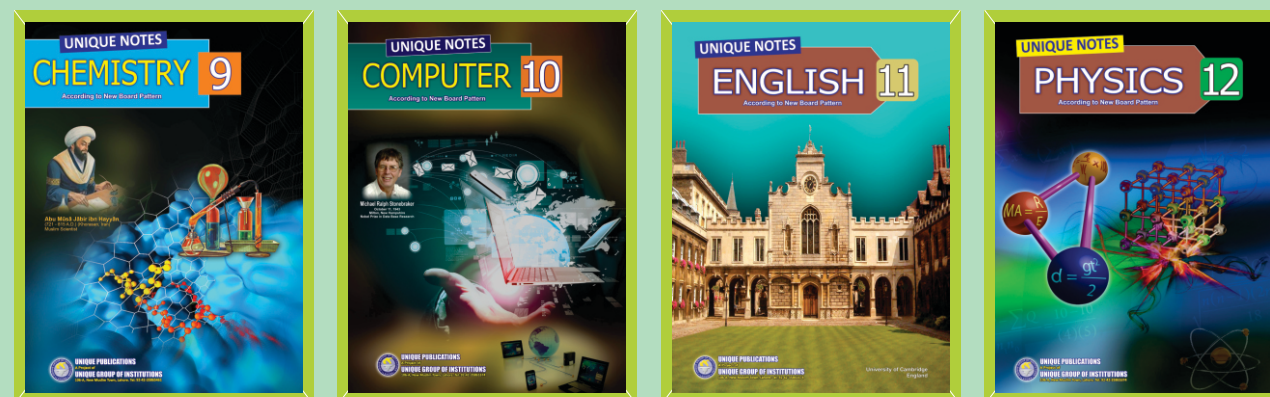

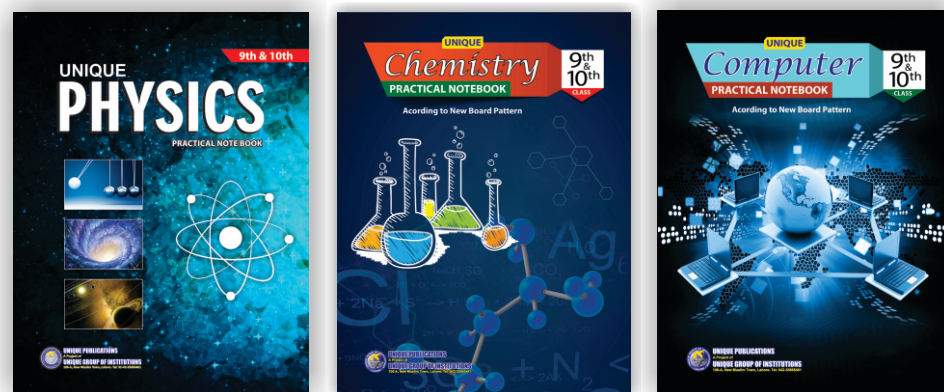

All Unique publications are meant to make learning easy but effective for students. Notes for intermediate are prepared to assist students in securing top positions in the examination.

Since its inception in 1986, teachers at Unique have always inspired students to make a difference. Compiling notes was a step towards enabling our students to excel in the examination. With the passage of time, these notes were produced in book-form to facilitate students and make them cost effective. Unique notes ensure that student have the best material for examination besides being authentic, concise and comprehensive.

Unique notes are synthesis of years-long experience of teachers under the dynamic guidance of Chairman Prof. Abdul Manan Khurram.

Unique Publishes 50 notes in matric, Intermediate, Entry Test examination and practical note books while many research associates work round the year in the R&D department to ensure that Unique notes are error-free.

Unique has marketed these Notes across the province but regular Unique students are given special 20% discount as compared to the market price.

UNIQUE LANGUAGE SCHOOL

Understanding the importance of English as an International mode of communication, Unique has established a state of the art language Laboratory to help students in learning English through hands-on practice.

Earlier, the language lab was also used for teacher training workshops and offered courses for TOEFL and IELTS.

Later, Unique Language School started different English courses for students, their families and general public. Spoken English for kids and adults, Business English, IELTS, and other courses are offered at ULS. Unique Language School also grooms debaters in the art of public speaking.

UNIQUE INSTITUTE OF TECHNOLOGY

Information technology is at the heart of modern education and IT education has made important contributions to the world in making organizations more efficient and maximizing productivity.

Unique College offers Intermediate in Computer Sciences (ICS) and our students have made their mark in IT. Unique College has two state of the art computer laboratories at its disposal for the ICS students. These labs also serve the students of the Unique Institute of Technology (UIT).

Unique Institute of Technology (UIT) is duly recognized by the Technical Education and Vocational Training Authority (TEVTA), and affiliated with the Punjab Board of Technical Education (PBTE) Government of the Punjab.

UIT offers one-year diploma in Information Technology (DIT), and other courses including Certificate in Computer Application (CCA) - 3 Month duration, AutoCAD Architecture - 3 Month duration, Graphic Designing - 3 Month duration, Web Designing - 3 Month duration, Computer Hardware A+ - 3 Month duration and System Support Networking - 2 Month duration. These courses are aimed at producing trained manpower in the field of Information technology and cater to the employment needs of IT industry in the country and abroad as per guidelines of the Punjab Higher Education Department.

Recognized by Technical Education & Vocational Training Authority (TEVTA), Government of the Punjab

The Letter written by Ibrahim
Lincoln to his son's
headmaster embodies
wisdom and is a model for
the education of students
for all times.

MEETING CHALLENGES

Safe environment is a pre-requisite for an educational institution. Unique College follows all the Standard Operating Procedures (SOPs) for colleges as implemented by the Higher Education Department (HED) and Punjab government.

Fool-proof security at all schools and colleges is a cherished ideal and Unique takes pride in the fact that it has employed services of the retired SSG Army personnel with the state of the art arms and ammunition for security purposes. All other SOPs by the education department, law enforcement agencies and Punjab government have been adopted to ensure security at all campuses.

TRANSPORT FACILITY

Unique College arranges transport facility for students in collaboration with private van operators. College has deputed a transport officer to ensure that van drivers are punctual, fares are economical and minimum time is consumed in the completion of a route which saves precious time of students.

Students are required to abide by the rules and regulations.

A transport facility is available on demand at cheap rates on available routes.

ABRAHAM LINCOLN'S LETTER TO HIS SON'S HEADMASTER

"He will have to learn, I know, that all men are not just, and all men are not true. But teach him also that for every scoundrel, there is a hero, that for every selfish politician, there is a dedicated leader".

"Teach him that for every enemy, there is a friend. It will take time, I know: but teach him, if you can that a dollar earned is far more valuable than five found... teach him to learn to lose and also to enjoy winning, steer him away from envy, if you can. teach him if you can, the wonder of books... but also give him quite time to ponder over the eternal mystery of birds in the sky, bees in the sun, and flowers in a green hill-side".

"In school teach him that it is far more honorable to fail than to cheat... Teach him to have faith in his own ideas, even if everyone tells him they are wrong. Teach him to be gentle with people and tough with the tough. Try to give my son the strength not to follow the crowd when everyone is getting on the bandwagon. Teach him to listen to all men but teach him also to filter all he hears on a screen of truth and take only the good that comes through".

"Teach him if you can, how to laugh when he is sad... Teach him there is no shame in tears. Teach him to scoff at cynics and to beware of too much sweetness. Teach him to sell his brawn and brain to the highest bidders; but never to put a price tag on his heart and soul. Teach him to close his ears to a howling mob... and to stand and fight if he thinks he's right".

"Treat him gently; but do not cuddle him because only the test of fire makes fine steel. Let him have the courage to be impatient... let him have the patience to be brave. Teach him always to have sublime faith in mankind".

This is a big order; but see what you can do... he is such a fine little fellow, my son...

ABRAHAM LINCOLN

The 16th President of the United States of America (1861-1864), was one of the world's greatest statesmen.

CLASS POSITION SCHOLARSHIP

Class Position Scholarship is awarded to the students who obtain the highest marks in monthly class tests. Main objective of this scholarship is to inspire students to realize their potential to the maximum.

At Unique college, **Class Position and Encouragement Scholarships** are awarded to the students as per UGI policy.

DR. NISAR AHMAD RANA SCHOLARSHIP

Marks in Matric	SCHOLARSHIP		
	F.Sc	G.Sc	I-Com
995 & above	Free	Free	Free
975 to 994	Rs. 45000	Free	Free
940 to 974	Rs. 35000	Rs. 25000	Free
900 to 939	Rs. 25000	Rs. 15000	Rs. 15000

- * Dr. Nisar Ahmad Rana Scholarship in 1st Year and 2nd Year is awarded on the basis of Matric result.
- * 20% fee concession is given to the old students (who completed studies from Unique as Regular Morning students OR completed evening session).
- * 15% fee concession will be awarded to applicants who had studied at Unique in the past.
- * In case a student is eligible for two concessions, only the larger amount will be discounted.

ADMISSION PROCEDURE

- Merit is the only criterion for admission.
- Students are enrolled for admission after the matriculation results on the prescribed admission forms available in the college office.
- 4 attested copies of mark sheet of the matriculation examination and CNIC of the applicant's parent/guardian must be attached with the completely filled form.
- A passport size photograph of the candidate should be pasted on the provided space on the form and 4 photographs must be attached with the form.
- Applicants from other Education Boards are required to submit N.O.C (in original) issued by the concerned authority at the time of admission.
- Merit list is displayed/ pasted on the college notice board as per schedule.
- Applicants should contact the Principal/ Vice Principal in case of inconvenience.
- The college administration reserves the right to change admission schedule if required.

RULES & REGULATIONS

The students are expected to observe self-discipline in all matters and parents are advised to study rules and regulations carefully. It is obligatory for every student to abide by the rules. Violation of these rules may lead to expulsion from college.

- As per Board rules, 80% attendance is a must for admission to the Board examination.
- Scholarships are awarded to students on the basis of their performance. In addition to these scholarships, students are also given Encouragement Scholarships.
- Supplementary Tests are countable for Encouragement Scholarship but marks are not valid for class position.
- Attendance in class test is compulsory. In case of absence, the student shall have to appear in a Supplementary test.
- Students are not allowed to take leave without any specific reason or emergency. The leave application form must bear the signatures of both the parents, students and the Class In-charge.
- Students are expected to abide by Library Rules.
- Proper college uniform is must for admission to class-room.
- Students are not allowed to use mobile phones in the college. In case of an emergency, students may use the office telephone.
- Instructions or any notice issued by the Principal or the Vice Principal should be followed strictly.
- Students are strictly prohibited to write on walls and the white boards or damage college property.
- Students should not touch the electronic installations and appliances.
- In case of any inconvenience or inquiry, students are advised to consult their respective Class In-charges.
- Students are required to display their college identity card in the campus and observe discipline in the college campus.
- Students are required to be punctual.
- College premises, classrooms and surroundings must be kept neat and clean.
- Minimum pass percentage in a class test is 40%.

Students and their parents are not allowed to register any complaint against the management and the faculty to any official authority or agency regarding the matters related to the institution, without written permission of the Principal.

FEE REFUND POLICY

- If a student leaves the institution before commencement of the classes or within six working days after the commencement of classes, he/she shall be refunded 100% fee.
- In case, a student decides to leave the institution after registration with the Board of Intermediate and Secondary Education, the fee shall be refunded after deduction of the period spent at the college as per the policy.
